**Kikkawa Horuhiko**  
Male 17 years old

Two years later, his mother remarried and he used to play horse with his new father.

He lost his birth father to an life acc when he was three.

When he was seven,

He under stood the sadness of this world of men.

This basketball, which excluded him out of the without any reason.

And the reason for this sadness was his, was his own sadness, sadness, sadness.

With that,  
he worked out  
out his  
specialty  
in 3 points  
shots.

Day after  
day came to  
practice with  
all his might,  
just so he could  
be allowed on  
court.

He who  
had been  
born with  
a short  
stature,

And  
with that  
ability he  
was able to  
participate  
and shoot  
in matches  
of local  
junior high

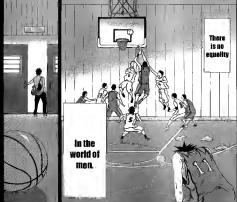

**BUT STILL HE WAS LIKE A FROG IN THE WELL!!**

Would never  
acknowledge  
or accept him  
just based on his  
ability to shoot  
3 pointers.

What  
wanted  
him was the  
reality where  
schools tuned  
for their  
basketball

Does it mean that the basketball has lost its worth in his eyes?

The fact that since then he never even once touched the ball...

IS

HIS LEARNED

THE  
CHANCE  
THAT HAS  
SUDDENLY  
BEFALLEN  
UPON HIM,

And in  
reality, that  
means that  
even if his  
brain has  
forgotten,

To the  
final  
outcome!

His body  
can still

THE CAT

BUT  
THOSE  
THAT DON'T

CAN'T HEAR  
WHAT IT'S

AND THAT  
IS ALSO  
WHY THEY  
DON'T  
UNDERSTAND  
WHAT I WAS

SO THIS  
IS THE  
TRICK  
BEHIND  
IT!

IT'S A  
SYSTEM  
WHERE YOU
